

Deadline: March 1, 2012

**SOCIETY OF PEDIATRIC UROLOGY  
RESEARCH GRANT 2012 – 2013  
APPLICATION SECTION 1**

**1. Title of Project** \_\_\_\_\_

**2. Principal Investigator** (Please note: Fellows are ineligible to serve as Principal Investigators)

a. Name: \_\_\_\_\_

b. Department: (include title within department)

\_\_\_\_\_  
\_\_\_\_\_

c. Address: \_\_\_\_\_  
\_\_\_\_\_

d. Telephone Number: \_\_\_\_\_ Fax Number: \_\_\_\_\_

E-mail: \_\_\_\_\_

e. Date of Birth: \_\_\_\_\_ Social Security Number: \_\_\_\_\_

**3. Institution Sponsoring Request**

a. Name of Institution: \_\_\_\_\_

b. Name and title of financial officer to whom check should be sent:

\_\_\_\_\_

c. Address: \_\_\_\_\_  
\_\_\_\_\_

d. Telephone Number: \_\_\_\_\_ Fax Number: \_\_\_\_\_

E-mail: \_\_\_\_\_

**4. Dates of entire project period**

From: \_\_\_\_\_ To: \_\_\_\_\_

**5. Is the Applicant a member of The Society for Pediatric Urology?**

Yes  No

If no, name of sponsoring member \_\_\_\_\_

Deadline: March 1, 2012

## 6. Principal Investigator's Commitment

I agree to accept responsibility for the fiscal and scientific management of this project as outlined in this application. I further agree to submit a progress report and an audited expense report within six months of termination of the project period.

## 7. Principal Investigator's Affirmation

That the investigation involving human subjects proposed and subsequently carried out in the application have been approved by the Human Subject Protection Committee, or other clearly designated appropriate body of the grantee institution; and that any research involving human subjects will conform ethically with the guidelines prescribed by the National Institutes of Health (NIH), including the provision of suitable explanation to human subjects or their guardians concerning experimental design and all significant hazards, so that they may be in position to provide appropriate informed consent prior to the investigations; and, That research involving animals will conform to the current "Guide for the Care and Use of Laboratory Animals" approved by the Council of the American Physiological Society, and with federal laws and regulations including approval by an institutional Animal Review Committee if required. Wherever applicable, the research protocol will be reviewed and approved by the Institution's Biohazards Committee, as well as conform to NIH guidelines. Results of research may be made available to the public through appropriate scientific channels. All publications will bear the statement:

***"THIS WORK WAS SUPPORTED BY A GRANT FROM THE SOCIETY FOR PEDIATRIC UROLOGY"***

Deadline: March 1, 2012

**SOCIETY OF PEDIATRIC UROLOGY  
RESEARCH GRANT 2012 – 2013  
APPLICATION SECTION 2**

**REQUIRED ATTACHMENTS/INFORMATION**

1. Please attach the Research Plan, divided into the following parts:

- Part A. Specific Aims (limited to one page)
- Part B. Significance and Background (limited to three pages)
- Part C. Preliminary Studies (limited to six pages)
- Part D. Experimental Design and Methods (limited to seven pages)
- Part E. References
- Part F. Personal Statement (limited to one page)
- Part G. Appendix

2. Please attach a copy of the Principal Investigator's Curriculum Vitae to this Application.

3. Please attach a letter of commitment from the Chair of the Principal Investigator's Department.

4. GRANT Budget - list below a budget, by category, for one year of support.

Personnel (including fringe benefits) \$\_\_\_\_\_

Equipment \$\_\_\_\_\_

Supplies \$\_\_\_\_\_

Travel \$\_\_\_\_\_

Other Expenses \$\_\_\_\_\_

TOTAL COSTS \$\_\_\_\_\_

5. Justification - describe any large or unusual expenses in any category or any costs the need for which may not be obvious.

6. Other Support - list below other support available to the Principal Investigator for this or other research projects. Include support from intramural sources and list pending as well as funded applications. For each item give the name of the agency, the title of the project and dollar amount available to the investigator. Describe any overlap of research goals or specific aims with the present project.

**Statement of Grant Eligibility**

The Society for Pediatric Urology sponsors an annual research grant of up to \$30,000 with the intention of promoting pediatric urological research at a faculty/attending level. Eligibility for the grant is limited to pediatric urological clinicians in practice or clinicians and researchers serving within divisions or departments of pediatric urology. Fellows are ineligible to serve as Principle Investigator on the SPU Research Grant. Applicants must be members of the SPU or have member sponsorship. Research that is actively NIH funded is excluded from consideration.
